# Cycle Superhighway CS9

- Consultation on route through Hammersmith took place September 2017
- HAMRA response:
  - Proposed route likely to impact badly on lives of local residents without discernible local benefits.
  - Wide, fast, disruptive cycle lane through narrow main street of Hammersmith will cause even more pollution from slow /stopped cars in King Street.
  - Would exacerbate existing difficulties for King St users, including local cyclists and buses, e.g. older people seeking to cross the road or attempt to catch a bus on an "island" across a cycle lane.
  - Obvious (and originally proposed) route alongside the A4 an infinitely preferable option to King Street.
  - A4 route might encourage cyclists who currently use riverside streets/paths to divert to faster CS9 (King St route will not).
- TfL currently reviewing consultation responses.

# Friends of Furnivall Gardens

- Green Flag Award:
  - Furnivall Gardens awarded Green Flag status by Keep Britain Tidy. Award recognises parks with highest standards of cleanliness, horticulture and facilities.
- Tree Planting:
  - In 2017 FoFG successfully applied to The Conservation Volunteers (TCV) for a “*Free London community tree pack*”.
  - A planting day will be held on Sunday 4<sup>th</sup> March at 10am to plant 200 small trees and hedging plants along the A4 boundary. Please come along and help.
- Berlin Lamp Restoration:
  - The Berlin lamp and plaque have been restored and re-installed on the wall on Westcott Lodge.
  - The Buclezs, of Westcott Lodge, worked with LBHF and commissioned a new cast iron stand for it.
  - FoFG would like to thank the Buclezs for helping to bring the lamp back to working order again.

# Heathrow Airport 3<sup>rd</sup> Runway

- DoT consultation closed December 2017.
- Parliamentary Committee currently scrutinising the matter/hearing from depts. (incl. Transport and Environment) and other groups.
- Vote in Parliament due Spring-Autumn 2018
- Heathrow Airport holding private consultation in some boroughs. Will be Hammersmith Town Hall on 20 Feb.
- No3rdrunwaycoalition members and many MPs object to this private consultation as it presupposes 3<sup>rd</sup> runway approval.
- The steering committee of Handfnothirdrunway will be meeting on 8 Feb. to discuss the next steps in campaign.

- Assistant Project Manager at LBHF now in charge of community liaison and keeping local residents up-to-date.
- TfL want to restore the bridge, need more information before deciding what work required.
- Tests currently being carried out to evaluate strength, movement, etc.
- Results will determine scope, methodology and future use of the bridge.
- No time-scale yet available.
